

## Description

The Tevo 360 Downlight, available in white and black, offers versatile lighting: white models provide warm 2700K ambiance or bright 3000K light for task/accent needs with clean aesthetics, while black versions deliver 2700K warmth or strong 3000K illumination, paired with a bold, sophisticated look. Protection class: II, Protection rating: IP54. Voltage: 230V AC, Beam angle: 36°, lifespan: 50.000 hours. Article number: V104100T2W, V104100T2B, V104100T3W and V104100T3B.

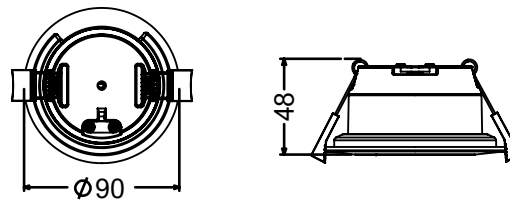

## Tevo 360 Downlight

Size	Φ90x48mm
Lumen	800lm
LED Type	COB
Wattage	8W
CCT	2700K or 3000K
UGR	/
Protective class	2
LED Chip lifetime	50.000h
Material	Aluminum
Driver	Triac (TED) included
SDCM	<6
CRI	90
Efficacy (lm/w)	100
IP Rating	IP54
Voltage	230V
Frequency	50Hz
Installation	Recessed
Beam angle	36°
Weight(kg)	0.30

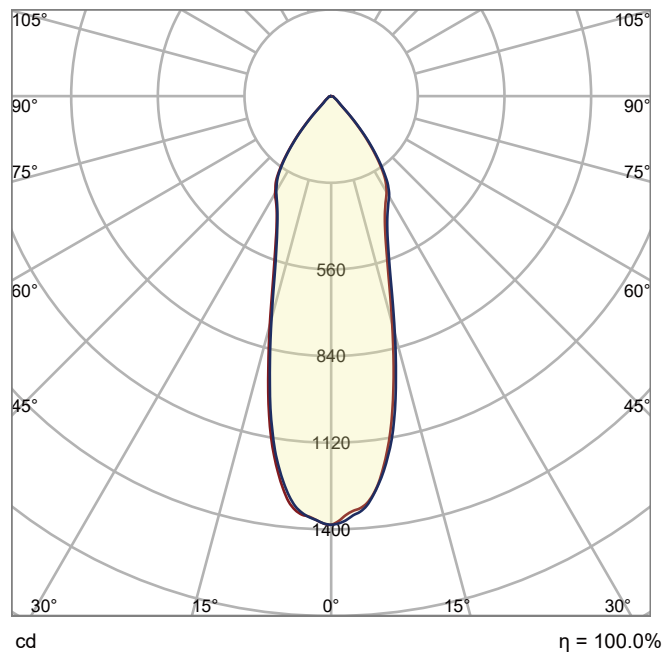

2700K	Art.No	Color
	V104100T2W	○
	V104100T2B	●

3000K	Art.No	Color
	V104100T3W	○
	V104100T3B	●
